

Italy: Language, Technology, and Culture in Perugia

Summer

Discover the essence of Italian life through language, culture, and hands-on experiences in Perugia, the green heart of Italy. The program begins with a three-day excursion in Rome—visiting the Colosseum, Roman Forum, and Sistine Chapel—before continuing to Perugia by private bus, for immersive learning. Perugia, città a misura d'uomo - a human-centered city-offers the ideal setting to live Italy like a local. Students will study at the Università per Stranieri in Perugia, one of Italy's most prestigious institutions, earning both academic credit and a certificate of attendance to support future graduate school or career paths. For over 15 years, NC State faculty have led this transformative program. Don't just visit Italy. Live it!
